

The Magnificent *Nina Ballroom* Unveiled For Creating Heartfelt Moments in Special Occasions that Make the Difference

Sophisticated and refined, *Nina Ballroom* at L'hotel Nina et Convention Centre is one of the most magnificent ballrooms in Hong Kong. Uplifted with splendid designs, stylish décor, state-of-the-art audio and visual facilities, the ballroom offers the most ideal setting for delivering heartfelt moments to every guest.

The Magnificent Event Space- *Nina Ballroom*

“Inspired by the elegance of nature, the ballroom is contemporary and with artistic touches,” says William Lim, Founder and Managing Director of CL3 Architects Ltd. “A group of custom designed artistic chandeliers inspired by the Bauhinia flowers act as the centerpiece of the ballroom.” Featuring snowy white and rosy gold as its major color, the opulent banquet hall combines grandeur with class. With an area of over 1,672 square metres (18,000 square feet), the ballroom can accommodate plenary conference of 1,600 persons or 100 banquet tables for weddings and celebrations. Three mega LED walls, together with adjustable lighting system make the venue idyllic for conference, meeting, banquet, cocktail or any other occasions.

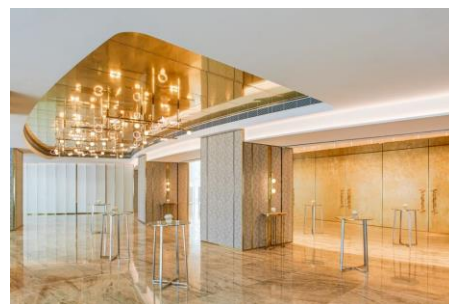

The Brand-New VIP Room – *The Moment*

Spanning an area of over 92.9 square metres (1,000 square feet), the exquisitely crafted VIP room combines classic décor with elegant design. The classy white space is enhanced by gold-trimmed motifs. Bright and spacious, the chamber seamlessly incorporates a specially designed sofa, three full-length mirrors, meticulous wallpapers that grace the walls, and European-style crystal light fixtures. In the unparalleled ambience, extinguished guests, the bride and her close friends and family may pamper themselves at their best to the unique and memorable moments.

The Mingling Space – Pre-function Area

Socialize with business partners or friends over a welcome cocktail or set a backdrop in this spacious pre-function area adjacent to *Nina Ballroom*, where great conversation starts. With a seamless marriage of classy detailing and sumptuous décor, it serves as an area to delight and refresh the attendees between meetings and events.
